

GLOBAL HUES: Inspiring Interior Color Combinations from Around The World

INTERLUX PAINTS diligently curated and presented a spectrum of shades sourced from palettes inspired by diverse corners of the world.

The categories offer a diverse range of colors and themes inspired by cultures and destinations from around the world, allowing you to infuse your home with global inspiration”

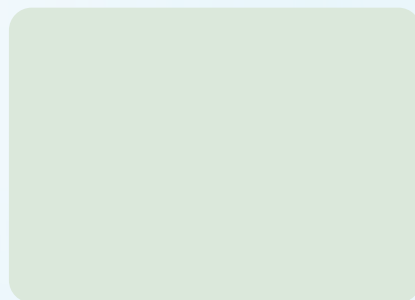

Parisian Chic

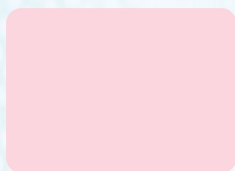

Parisian-inspired color combinations evoke a sense of timeless elegance and sophistication, drawing inspiration from the iconic city's romantic streets and chic interiors. Imagine soft, muted hues paired with rich, luxurious tones, creating a harmonious blend of classic charm and modern flair. From delicate pastels to deep, dramatic shades, Parisian-inspired color palettes effortlessly capture the essence of French style, inviting you to create a space that exudes refinement and allure.

Moroccan Mystique

Capture the vibrant essence of Moroccan culture in your home with interior paint inspired by its rich heritage. Moroccan-inspired paint colors draw from the country's diverse landscapes, traditional crafts, and intricate architecture. Think warm earthy tones like terracotta, sandy beige, and deep ochre, reminiscent of the desert sands and sun-soaked landscapes. Complement these with jewel-toned hues such as vibrant blues, emerald greens, and bold reds, inspired by Morocco's vibrant markets and majestic architecture.

Scandinavian Serenity

Interlux Interior paint inspired by Scandinavian style embodies simplicity, functionality, and natural beauty. Colors commonly used in Scandinavian interiors include crisp whites, soft greys, and muted pastels, reflecting the region's serene landscapes and minimalist design ethos. These colors create a light and airy atmosphere, enhancing the sense of space and brightness in any room. Combined with natural wood tones and minimalist furnishings, Scandinavian-inspired paint colors evoke a sense of calm and harmony, inviting a feeling of coziness and tranquility into the home.

Tropical Paradise

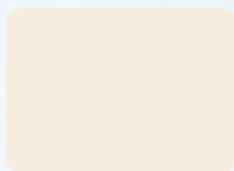

Transform your home into a tropical oasis with interior paint inspired by tropical style. Embrace the vibrant colors of the tropics, such as lush greens, sunny yellows, and ocean blues, to evoke the lush foliage, golden sands, and azure waters of paradise. Opt for hues like palm leaf green, sunshine yellow, and turquoise blue to infuse your space with the energy and vibrancy of tropical destinations. Whether you're aiming for a bold accent wall or an entire room bathed in tropical hues, this interior paint palette brings the essence of the tropics into your home, creating a refreshing and invigorating atmosphere reminiscent of island getaways.
